

Drugs in our Youth

Jennifer Kavita Mahal

About Me.

Agenda

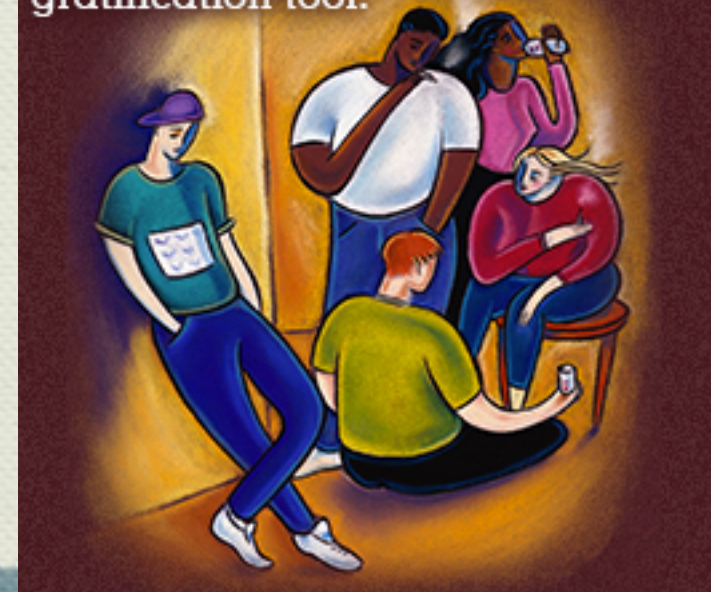

- ◆ 1. Why are ALL teens likely to experiment with drugs / alcohol?
- ◆ 2. Why are Indian teens likely to experiment with drugs / alcohol?
- ◆ What can you do?

Why are all teens likely to experiment with drugs / alcohol?

◆ 1. Media

One of the worst effects of alcohol ads on teens is that they portray drinking as a harmless, instant gratification tool.

Why are all teens likely to experiment with drugs / alcohol?

- ◆ 1. Media
- ◆ 2. Alcohol from parents

Why are all teens likely to experiment with drugs / alcohol?

- ◆ 1. Media
- ◆ 2. Alcohol from parents
